

Camp Bobbin Hollow Mission:

We strive on educating each and every individual while they are participating in all CBH activities.

Barn Rules:

For everyone's safety, the BHEC rules are strictly enforced. Registration paperwork outlines our rules. Campers and parents are required to read and acknowledge with a signature.

We invite you to schedule an appointment to see our facility. We look forward to meeting you.

Our Facility

Complementing our excellent school horses and professional training is our first-class facility located on Florida's Paradise Coast in the beautiful town of Naples, Florida.

Our spacious 29-stall, state-of-the-art barn was designed to provide the best comfort for our residents. Elements include modern ventilation, upgraded electrical service, expansive aiseways, first-aid supplies, equine-approved feeding and grooming equipment, a fully equipped farrier station, an indoor wash area, and 12'x12' stalls.

Bobbin Hollow Equestrian Center has six paddocks, two large working rings, a standard size dressage ring, and a 60' round bull pen.

What Can I Expect?

Summertime is a great time to learn how to ride!

Our special summer 2011 camp program is about to start. Camp Bobbin Hollow (CBH) campers will enjoy **individual and group lessons** from our friendly team of instructors. Several types of English riding will be taught including basic balance seat, hunt seat, dressage and saddle seat.

In addition to riding instruction, CBH campers will share in the responsibility of **barn management**. Your child will learn proper equine **etiquette, grooming and stall maintenance**. Children will also discover the joys of **basic horse care, tacking, and ownership responsibilities**.

We love to horse around too. CBH makes learning fun with **daily contests, horse riding activities, cool games, arts & crafts and weekly achievement awards**. Our hands-on equestrian camp **builds character, camaraderie and good sportsmanship skills**.

Camp Bobbin Hollow is located at Bobbin Hollow Equestrian Center on Vanderbilt Beach Road just east of Livingston Road in beautiful Naples, Florida.
