## DRILL TEAM MEMBER AND/OR PARENT CONTRACT

*I AGREE TO THE FOLLOWING:*

1. The member will be present at all practices, meeting and events. If more than four practices are missed, the member will not be able to perform at the first demonstration.
2. The member will participate in all fund raising activities of the drill team and saddle Club “booster” club and will be responsible for all money and merchandise.
3. The member will participate in drill team activities including parties, in or out of town events, meetings, practices, parades, unscheduled practices, special clinics, competitions and all events where drill team attendance is required.
4. It is understood that the member may not perform every time due to either discipline problems, school grades or not mastering the routine for that week.
5. It is the responsibility of each individual or the parent to provide transportation to and from all activities of the drill team and ensure arrival and departure is on time.
6. The drill team constitution, including the strike system, has been read by both the member and the parent and each agree to abide by them fully.
7. I have read, understand and agree to the regulations outlined in the Drill Team Constitution. It is further understood that if any violation of the rules as outlined are violated, the member may be removed from the drill team.
